

Camden Rockport Bicycle and Pedestrian Pathways Committee
Rockport Town Office, Minutes
April 2, 2014
7:10 pm

Present: Geoff Scott (minutes), Lynda Clancy, Anita Brosius-Scott, Richard Stetson,
Robert Davis, Kathleen Bachus, Leni Gronros

Select Board Liaisons: Ken McKinley

- March minutes – approved with edit that Kathleen did not participate in the Land for Maine Futures seminar
- Non-Agenda item - Non-agenda – update on Rockport from Ken – codifying sidewalks in ordinance committee did not go on the ballot. But it will be on the agenda for 2015. Rockport is going forward with an infrastructure bond. One of the items included in the Nov bond is the High Sidewalk repair. **Action** – identify someone to research alternatives for a good working sidewalk ordinance.
- Camden Budget Committee – included in this year’s budget proposed is \$10K for sidewalks. Also an additional \$50K for paving streets.
- Pleasant Street – Anita spoke with Pat Finnigan and Martin encouraging the Camden SB to return the widened section of Pleasant St, at the junction with Union St, to the abutter. Public works wants to redo the sidewalk from the crosswalk on Rte 1 all the way around the Montessori School to Pleasant with granite curbing. Rick says working with MDOT creates complications. Drainage becomes an issue on Rte 1 and Union St. Question – do we put energy into pushing a QCP grant for this or not. Potential agenda item for future discussion. **Action** – **Anita** will talk with Pat about the idea, whether town is open to it?
- **Action** - **Anita** to get info to Don on Maritime sidewalk design committee
- Comp plans in – **Action** – **Geoff** what’s the next step in comp plan committee process?
- Rockport Sidewalk Survey – meet at the Rockport Diner – Sunday, April 6th, 8 am
- RTP – Seabright not awarded. Question: could ragged redevelopment supply an RTP. Is there a disadvantage to having two entities apply from same town. **Action** – **Geoff to call Mick Rogers.**
- Roundabout – at John St – Leni could find nothing at federal or state levels talking about line of site related to ability to place a roundabout.

Next meeting May 7, 2014, 7:30, WSC room in Camden
