

Camden Rockport Bicycle and Pedestrian Pathways Committee  
Camden Town Office, Minutes  
May 7, 2014  
7:10 pm

Present: Geoff Scott (minutes), Mac Thomas, Leni Gronros, Richard Stetson  
Rockport Select Board Liaison – Ken McKinley  
Camden Select Board Liaison - Leonard Lookner  
Camden Parks and Rec – Landon Fake

- April minutes – approved as written
- New Agenda Item: Add Landon to distribution list – **Action - Geoff**
- Committee Members - No leads for open Rockport slot.
- Culvert under Rte 90 – Richard reported that Mike Kinney, physics teacher at CHRHS, is working with Erickson Fields (Farm). There is a lot going on involving CHRHS students at Erickson. A tunnel or culvert under Route 90, eliminating a Rte 90 crossing, would be very welcome and supported. Possible partners could be Maine Farmlands Trust. With the addition of the Spear property could be additional overlap. Possible meeting with the MFT exec director John Piti. Adam something is handling the Spear deal. **Action – Richard** will continue discussions with Mike Kinney.
- Rockport Inventory – Lynda still has hers to turn in. **Action – Lynda** bring over to Leni. Missing Mary Lea Park. **Action – Leni** will send forms to Ken – **Action – Ken** will add the info.
- Unfinished work on Riverwalk on Tannery Section: **Action - Landon** will speak to Jackson Landscaping about work for mitigating slope on the last 100 feet on the Megunticook Store end.
- Seabright – Need to work on the Historic Preservation issue and the Fish and Game issue of potential nesting site. **Action - Mac** volunteered to work on this. **Action – Geoff** to speak with Pat about carrying forward \$6K of unused matching grant funds into 2014-2015.
- Maritime Farms – who is managing this moving forward. **Action – Geoff** to get this moving.
