**Subject:** For Orion Thomas re Approval of the Hotel Site Plan  
**Date:** Wednesday, June 30, 2021 10:31:24 AM

---

I strongly support that the permit allowing the construction of the hotel in Rockport should not have been issued in disregard of the approved site plan. The will of the residence of Rockport, of which I was one for 15 years, until I moved to Quarry Hill, has not been disregarded in an appalling way.
