Hi Jason, I am sending you a revised preapp sketch plan of the 4 lot subdivision. Only Lots 1,2,3 & 50 will be accessed via Terrier Circle. Lot 4 will be accessed via Old County Road.

Are the Roads being built to town code? IE can fire apparatus fit safely during summer or winter with somewhere to turn around? Thank you

to me

Ok Thank you sir

I am all set and feel the design is fine for the Fire Department.
